KEYS TO HAPPINESS

This year we members of the Zem Zem staff have chosen "The Keys to Happiness" as the theme for our book.

Looking back through the year, we see that the events which have taken place are like keys which open doors to happiness. These events not only brought us much joy when they occurred, but also laid a foundation for our future happiness. The activities in which we have participated, the many, many things we have learned, and the wonderful friendships we have made are among these keys.

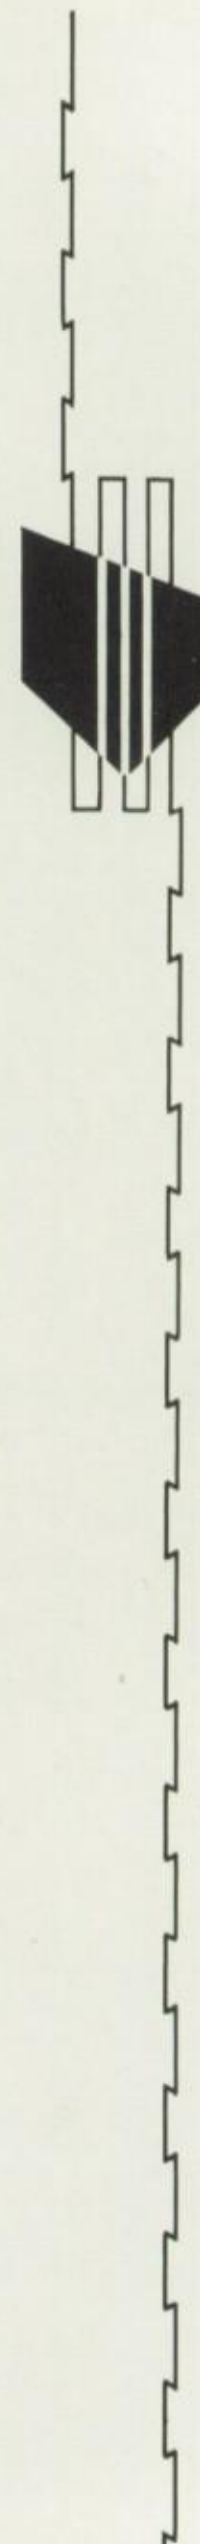

As we grow older, this book will serve to recall memories of our high school years, and remind us of the Keys to Happiness which we acquired at Mt. Healthy High.

THROUGH THE YEARS

As the years come and go, it becomes more and more interesting to discover how many and which members of the current senior class are descendants of graduates of Mt. Healthy High School. In this year's class eighteen are in that group, constituting something more than eleven per cent of the entire number. This must mean that a rather large proportion of the alumni have found their Keys to Happiness in the local area.

Their senior year is over,
They're all about to leave
With hearts all full of promises
Of things that they'll achieve.

Each holds the torch of learning
And leadership up high,
May it guide them to success
In everything they try.

G.S.S.

HISTORY OF THE CLASS OF 1960

Tonight as I look over this graduating class, I see the future doctors, lawyers, businessmen, and nurses of our country. But more than that, looking back, I see 192 Freshmen climbing the steps of Mt. Healthy High for the first time on September 5, 1956. We were frightened then, just as we are frightened now, when we assembled that day in the Gym wondering what would happen to us next. Coming from Mt. Healthy, Finneytown, Monfort Heights, and New Burlington gave us a chance to make many new friends during our Freshman year. After adjusting to high school life, we settled down to a year of study, taking time out, however, to have excellent basketball and reserve baseball teams.

As the summer vacation ended and school once more resumed, we found ourselves taking part in more of the functions of Mt. Healthy. As Sophomores, we joined many clubs and took sports more seriously. The year seemed to fly by and we realized it would not be long before we would be called upper-classmen.

Our Junior year was centered around giving the Seniors a well-deserved good time at the Junior-Senior Prom. To make this a success we began work early in the year to earn money for this occasion. The cooperation of all resulted in one of the best proms Mt. Healthy had seen in a long time. Of course, there was time for other things but looking back, I do not know how we worked them in. Following the installation of the National Honor Society by members of the North College Hill Chapter, we were off for Washington, D.C., where we saw how our government is operated. We returned in time to participate in Hi-Y and L.G.D. initiations. This time, however, we were the ones carrying on the initiation. Our Junior year ended with our awakening to the fact that we would now be Seniors and with this new title would come the responsibility of setting a good example for the underclassmen.

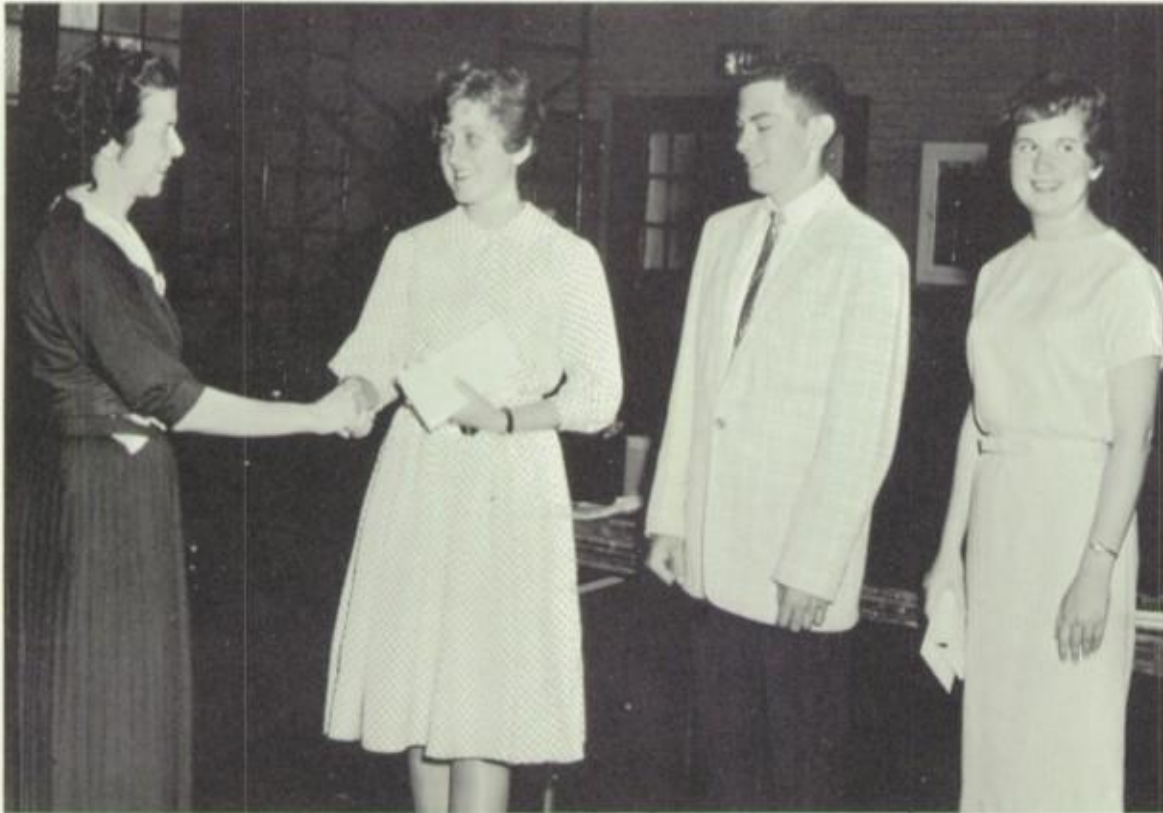

This responsibility was first realized on the first day of our Senior year when each of us was given a little brother or sister to acquaint with the schedules and traditions of our school. We met our obligations as leaders of the school in many ways: from participating on P.T.A. discussion panels to being leaders of various athletic teams.

Each of us will always remember our M.V.I.L. Championship Basketball Team and the tournament at Oxford. We also became leaders of many clubs and participated in what our parents sometimes felt were too many activities. One of these activities, which we all enjoyed, was the building of floats for the Football Homecoming and we were delighted that the Senior Class had won the First Prize. Much of the time in our Senior year was spent taking Scholarship tests and filling out applications to colleges all over the country. Our Senior Play, "Father of the Bride," accounted for two of the most interesting evenings that many people had spent all year and everyone will remember the good work done by The Spotlight Club in making the play a success.

As we neared the end of the year, we looked forward to the Junior-Senior Prom at which we were guests of the Juniors. They did a wonderful job decorating the gym and we now realized graduation was drawing near.

Even though the complete history of the Class of '60 cannot be revealed at this time, the past four years have been the most eventful and glorious of any four years of our lives.

SENIOR AWARD ASSEMBLY

Mrs. Roach congratulates Sue, Ron, and Linda on receiving the Danforth Award.

Miss Frost presents Jim his well-earned Zem Zem Award.

Tom and Donna Jo happily receive the Babe Ruth Award from Mr. Dunnette.

Dave and Sue reign as Mr. and Miss Mt. Healthy for 1960.

SENIOR CLASS PLAY "FATHER OF THE BRIDE"

"Will you please hurry up and open it!!!"

Russ looks content as Shirley applies his make-up.

Does Bob have coffee nerves?

It was just TOO much for "The Father of the Bride."

... "LET'S GO KNOCK 'EM DEAD, DAD!"

It looks as if the prospective bridegroom has a problem.

Mrs. Young and Mr. Henry are thanked warmly for their help.

Congratulations to the Spotlight Club on their fine performance of the comedy, "The Father of the Bride." Many long hours were devoted to building the set and formulating the play by the cast and crews. It's a wonder Mrs. Young and Mr. Henry don't have gray hair by now! But, all in all, it was a lot of fun and a job well done.

CALENDAR

Freshmen learn what is to come in the next three years.

Where does the line end?

What is an Atom?

Say "Cheese."

SEPTEMBER:

- 10--School opened the right way with each teacher receiving a "Big Red Apple."
- 11--Out football team showed off their flashy new uniforms tonight in the Pigskin Preview at Lockland.
- 12--Congratulations, Dianne Ritz! Healthy's girl is the first 4-H Queen of the Carthage Fair.
- 14--Jean Bahr called the first G.A.A. meeting to order. What sport are you going to play?
- 16--Oh--Freshmen, how did you like your new "Big Brothers and Sisters?" Didn't the Freshies look cute in their green bows and ties? Did you wear your name tag?
- 18--First Pep Assembly--The team was introduced and school spirit urged them on to a 22-8 victory over Colerain.
- 24--The overture for the big night--The Pow-Wow on our new field. Say, didn't those girls look nice in their new uniforms?--Did you go to the Junior Class Dance afterward?
- 25--What a wonderful night--The dedication of Mt. Healthy's new football field with its lights, goal posts, and press box. The speeches and the music, provided by both Band and Chorus, all added to the thrill of it. To top it all off, we won the first game on our new field, 16-0. Thank-you, everyone who made this dream come true.
- 26--Four Y-Teen girls leave at the unearthly hour of 7:30 AM on a Saturday for Leadership Conference at Camp Lenmary.
- 28--Reserve beat Indian Hill, 44-0.
- 29--Did you break the camera when you had your picture taken?

OCTOBER:

- 1--Juniors and Seniors took the Ohio History Test--Phew, we sure don't know much about the Buckeye State.
- 2--We played Wyoming--We Are With You Team--So Fight, Fight, Fight!

- 22--Y-Teens held their Annual Recognition Service--How impressive the candlelight ceremony is!--Mmmmm--that fried chicken dinner was sure good and of course, it couldn't have been done without the Hi-Y fellows.
- 23--No school--While the teachers attended the Southwestern Ohio Teachers Association Convention, the students were busy putting last minute touches on the floats.--That night, while the rains came down, they announced the winning floats; Hi-Y's "Somewhere Over the Rainbow," Concert Chorus "I Hear Music" and the Seniors' "Winner Take All." NOVEMBER:

- 1--Carmen Ehrhardt and Penny Stout left for the Y-Teens National Conference in New York and Washington.

- 6--Oh, so-o-Oh, cold for a football game. We tied with Greenhills--12-12. Yea--Team.
- 13--It doesn't seem possible, but this is the last football game of the season. Beating Reading 28-0, was a fitting finale for our eleven senior players, who were honored. We ended the season tied for Second Place. Congratulations, Coach Schlosser, and team on a wonderful season!
- 14--Wasn't the Spotlight Club dress-up dance nice?
- 17--Watch your figures now, girls.--Hi-Y is selling candy.

- 20--Concert Chorus Candy Dance--The winning team was admitted free and given free food. The lucky ones were members of Bob Hissett's team.

MT. HEALTHY OWLS IN ACTION

Charles Oliver goes over for another touchdown.

Our football team of '59-'60 made everyone at Mt. Healthy School very proud. Beginning in the heat of August and continuing through the cold days in the late fall, they worked long and hard hours to achieve the terrific record of 1 loss, 1 tie, and 7 wins for the season.

Hard work and diligence of team and coaches alike were the keys which opened the way to a wonderful season. A great year! A great team!

Nobody could keep Mt. Healthy from crossing the line.

Gary and Mr. Brinker take time out to look over the team.

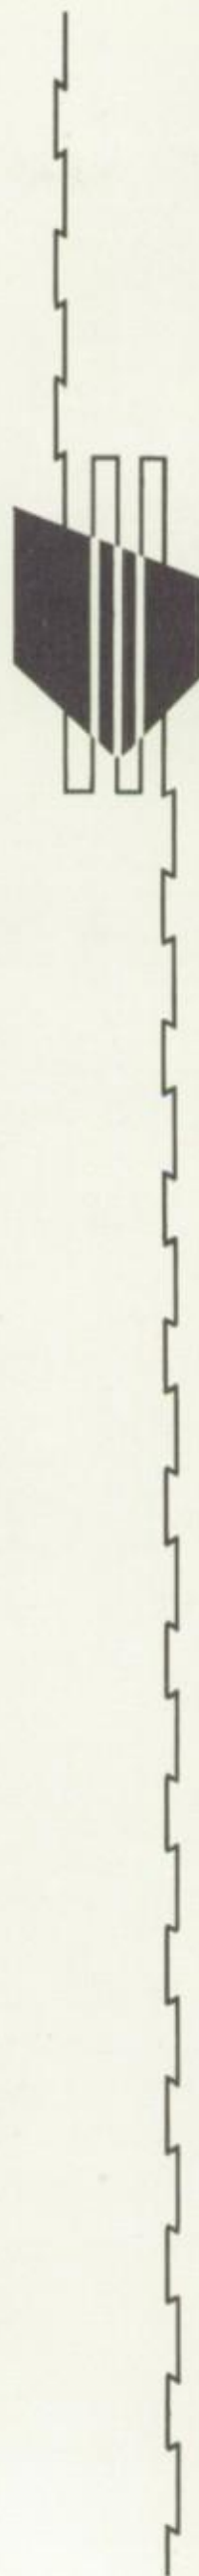

Our boys are surely in there fighting for a victory.

The principal interest of L. G. D., girls' honorary club, is the school library. By selling programs at football and basketball games, they earn money to contribute to the purchase of books. They also sponsor a Talent Show for an assembly program.

In order to be eligible to join L. G. D., each girl must have an 85% average. Of those eligible, the same number of girls leaving the club is selected to join L. G. D. This plan keeps membership at a constant number.

JUNIOR RED CROSS

Co-chairmen--Linda Ness, Beverly Brouse

Junior Red Cross works as a committee under Student Council.

Two drives are held each year: first, an enrollment campaign, in the late fall in which students who "join" contribute to the financing of service in hospitals and in foreign countries; a spring drive for the purpose of filling gift boxes or a gift chest.

In addition, the art department, the Latin Club, and the Y-Teen squads give party favors as service projects to the Red Cross.

The Red Cross has many hard workers. Representatives who are elected in the homerooms post Red Cross literature, collect money, and keep a roll of the contributors. The faculty and student body help with their cooperation and generous gifts.

ZEM ZEM

The Zem Zem Staff is one of the busiest organizations in school. This year eight seniors, eight juniors, and four sophomores all worked to make the Zem Zem of 1960 the best ever. Although there is a lot of hard work connected with putting out the annual all agree it is a worthwhile and rewarding experience.

The Spotlight Club is the drama department of the school. Its objectives are to promote interest in the theater arts among the students.

Membership consists of Senior Class Students who are taking English IV or who have taken Speech.

The Spotlight Club sponsors several dances during the year to earn money to finance the annual Christmas Program and the Senior Class Play.

The Senior Class Play is the highlight of the year. It is presented in the spring after many months of hard preparation, but promotes a feeling of accomplishment and a job well done.

GYM LEADERS

The Gym Leaders Club is composed of students selected by the physical education instructor to promote leadership among students.

Learning to organize, plan, officiate, and direct sports is the first objective of the leaders' club.

The second objective is to realize the importance of "carry-over" values in organizing and planning--how these things fit into other fields and organizations.

Student leaders demonstrate skills, lead exercises, get necessary equipment for game use, and check attendance.

John,

One of my very best friends and a swell guy. Really you're one of the sweetest and nicest and cutest boys at Healthy. Always remember the riots we've had. Remember the lunchtimes, study halls, Algebra I (no! lets forget that) sock hops, football games, basketball games, Plane G. (lets forget it too) Speech class and young, and ^{compliments} Second Overture, Lev:!!! We've had real riots. Remember too, the park last summer and Frisch's. I'm thoroughly convinced NCH Frisch's couldn't live without you. We've had so much fun in the past and I know we will have more fun. And above all lets try to get out of here this year. O, well I don't know what else to write except the best of luck to you this year and all through the future.

And always keep **JESS HAUER** dancing and buying sharp clothes (as long as your mother's charge holds out)

Ha! Ha! Also try and keep that blue Bonneville under 50 M.P.H. (if it'll do that much?!?!?) and let your parents have the Chevrolet now and then (for a date or something) Ha! Ha!

But really always keep that sharp personality and your friendly way. Best of luck always, you deserve the best!! May we always be friends!!

Remember me,

Love,

Donna

As editor, I would like to express my thanks for the endless co-operation that the staff has given me.

In behalf of the staff and myself I would like to credit a great deal of hard work and time to our adviser, Miss Frost; and without Mr. Bartle, our adviser, and the Camera Club, our book would not have been complete.

In concluding, I wish to express my gratitude to our Principal, Mr. M. D. Hartzler, for without his ready assistance and patience, we never could have done it.

John, Well we finally made it didn't we? Our
 last year is finally here. You've been a real sweet
 guy all through our 4 years and you know how to
 get along with everyone. I hope you keep that sweet
 personality all the time. I don't remember that we were
 in a whole lot of classes, but I do remember the one
 when we were sophomores, it was English II, remember.
 We sat in the back and when we had that substitute
 you know who she was you made those paper teeth
 and really made all of us back there laugh.
 I don't know what you are going
 to do but good luck in it, and I know
 you will have it with such
 a swell personality.
 A real nice guy.
